Dear Comrades,

Before we write anything we wish to inform you that we are not competing with any of the premium policy of any of the Health insurance Company in the country on the issue but are helping all those who could not avail this facility whenever demands were generated. This scheme can prove a boon for many such retirees who are deprived of this facility for opting a Health Insurance Policy on many reasons.

We wish to inform you that since August 2019 we kept ourselves engaged to find some suitable Re-Insurance Broker who can provide us an affordable Health Insurance Cover which can prove helpful in all respects to Bank Retirees of India who, on date are being looted in the name of self made monopolists. In this respect we contacted different executives of many companies including Star, Maxwell, Religare Bajaj which were dealing with Health Insurance Schemes but looking towards their high premiums we did not move further.

In the beginning of year 2020, we came in touch with a well known Mumbai Re-Insurance broker working in health insurance business sent one of his Senior-executive to our Delhi registered office for discussions and placed their health insurance plans before our managing committee members for consideration. After removal of few of the objections raised by us we proceeded ahead and put the whole scheme on website for retirees to clear all the doubts if arise. Today we are pleased to inform that **AIBRWA** has moved one step ahead in providing a very affordable HEALTH INSURANCE SCHEME under the same management of **WELL REPUTED RE-INSURANCE BROKER OF INDIA WITH T.P.A. facilities.** This Insurance business is being conducted by one amongst the largest and the most prestigious insurance companies which is well known as **NEW INDIA ASSURANCE Co. Ltd.** & is very economical to all.

We have tried our level best to introduce a very economical and affordable Health Insurance Cover for retirees and all the relevant features, terms & conditions pertaining to the policy are mentioned in our website :- [www.aibrwa.com](http://www.aibrwa.com). We request all the retirees to go through the website before buying it so that every confusion or doubt should be cleared.

### INSURANCE PREMIUM CHART for 2021-2022

Retirees can opt any of the following floater health Insurance Cover as per their reach and join through link given by different Retirees Associations. As per general Opinion, the best and affordable health cover for all retirees can be Base of 3 lacs + 4 lacs Top Up. It is well known that the total expenditure for any disease cannot be accurately estimated but considering the monthly pension of the retired community, the health cover for 3 lac base price with 3 Top Up is enough to increase the mental strength at present.
